

Announcement

Wetland Research and Training Centre (WRTC), a nodal laboratory of Chilika Development Authority is located right on the edge of Chilika Lagoon and offers excellent research opportunities in the area of environmental microbiology, biotechnology, biogeochemistry, water quality assessment, phytoplankton, macrophytes, and fishery. WRTC has state of the art facilities including PCR, Q-PCR, BIOLOG, GC-MS, Auto analyzer, and HPLC.

Short-term Internship/Project Training

WRTC provides opportunities to students who want to apply for the Summer Training Programme (2 months) or M.Sc/M.Tech Project Training Program (6 months).

How to Apply

Students interested in doing their project training, may apply directly to the scientists concerned as below:

- (i) Dr. Gurdeep Rastogi (Biotechnology/Environmental Microbiology/Biology/Fishery)
- (ii) Dr. Pradipta Muduli (Water quality assessment)
- (iii) Dr. R. N. Samal (GIS/Remote sensing)

Documents to be attached

- (i) Concise CV with educational details and marks obtained. Include prior research experience attained with duration and place.
- (ii) Scanned copy of a letter from the Head of the Institute stating you are a bonafide student and would be interning as part of the course requirements.
- (iii) Please mention the Period of training in the email along with research area in which you want to work at WRTC.

Selection Procedure

7

29

Application once received by the concerned Scientist will be forwarded to the Chief Executive Chilika Development Authority for approval and final decision on the application. A formal acceptance e-mail will then directly follow from concerned Scientist.

Terms and Condition

Chilika Development Authority will not charge any fee for the Short-term Internship/Project Training. However, candidate has to arrange his/her own accommodation during the training program and will not be provided any sort of fellowship/financial assistance/travel allowances.

For any other specific queries, please send an e-mail to Dr. Gurdeep Rastogi (rastogigurdeep@gmail.com).
